Visit www.mosaicparty.com to host or join a game.

Basic Game Overview:

The game takes place over three rounds. Up to 12 players may play a game. Players receive prompts and create mosaics that depict the prompts. Players vote on their favorite creations after each round.

Round 1:

- Each player receives a unique prompt. The prompt will display in orange in the top left of the player's screen.
- Players may practice before the round begins by pressing the text that says "Try it out →" under the "Join Game" button.
- Players have 3 minutes to create a design.
- At the end of the round, all players vote by moving a slider to assign up to 5 points in the categories of accuracy, creativity, and charm for up to 15 points per mosaic total.
- Players must press submit after moving the sliders.
- After all scores have been submitted, the next mosaic will appear for voting.
- After all mosaics have been scored, the game will automatically progress to Round 2.
- A leaderboard will appear.

Round 2:

- In Round 2, players are randomly partnered against another player. These pairs receive the same prompt and are competing head to head to make the best mosaic.
- If there is an odd amount of players, there will be one group of three.
- Players have 3 minutes to create a design.
- At the end of the round, players vote by clicking on their preferred mosaic.
- After all favorites have been selected, the game will automatically proceed to Round 3.
- A leaderboard will appear.

Round 3:

- In Round 3, all players receive the same prompt.
- Players also have fewer colors and shapes than in other rounds.
- All players have access to the same colors and shapes.
- Players have 3 minutes to create a design.
- At the end of the round, players award gold, silver, and bronze to their favorite three mosaics.

End of Game:

- Following Round 3, a final leaderboard will appear with the winner.
